

EPIZ e.V
Entwicklungspolitisches
Bildungs- und
Informationszentrum

Fair School Award

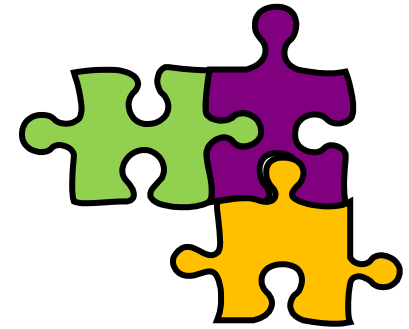

Promotes the long-term establishment of the global dimension in Berlin's educational system.

:

Fairness to one another
(democratic school culture)

**To be fair and responsible towards people around
the world**
(assuming global responsibility)

To be fair to the environment
(exercising ecological responsibility)

How does EPIZ support the schools?

.... **Assessment of the Status-quo**

.... **Workshops on school development
with pupils and/or teachers**

.... **Teacher Training**

... Fundraising Tips

... Networking with other active schools in Berlin and other cities
