CASINO GAME

A CARD GAME EASY TO LEARN AND EASY TO PLAY

Cards	32 cards are used - 7,8,9,10, Jack, Queen, King, Ace in each suit. Ace is the highest card and spades are trump.
Players	varies from 4-8
Deal	The dealer shuffles **all** the cards and deals them one at a time. Each player receives 4-7 cards depending on the size of the group. Important: **each player has the same amount of cards.** The left-over cards are put aside.
Start	The player to the right of the dealer starts playing any card. Other players take turns playing a card.
Suit	All other players must follow suit, which means you have to play the same suit as the first card. If you do not have a card on the first suit, then play a card of any other suit. Trump my only be played, if you cannot follow suit.
Winning	The round is won by the highest card of the original leading suit or the trump. The one who played this card gets all cards and gathers them on a pile and gets 1 point.
Continuation	The winner leads the next round which is played as before. Proceed until you hold no more cards.
End/Win	Game ends when the time is up. If all the cards have been played, the winner shuffles and deals the cards again. The player who has won most rounds wins the game.
